

# Tuvalu

Tuvalu is a program aimed at small and rural locals that offers resources and help for local associations of 150 members or less without a release-time president. In North Central, that is ALL of our locals except Moses Lake, Wenatchee and Eastmont. Tuvalu is designed to help our small and rural locals find ways to connect with one another and with WEA.

The class is based on the success of a small island nation named Tuvalu, which is located between Australia and Hawaii.

It's also an opportunity for school employees to relax, learn, network and have fun.

For more information about how your local can get involved in Tuvalu, and when the next Tuvalu class will meet, contact Yvonne Walker at [ywalker@washingtonea.org](mailto:ywalker@washingtonea.org)
